## Dutchys in Tairua. FY24 Working Couple Profits of \$152,000+

If you're on the lookout for the perfect lifestyle business, combining leisure with income, then look no further

**Im proud to present Dutchys to the market.**

Dutchys is the go-to spot in the Coromandel for all things fishing, boating and diving. They've built a fantastic reputation and have ensured their customers keep hooking in the big ones since 2017.

Dutchys has continued to trade consistently across the past few years, even through COVID and all the roading disruptions which closed off outside access. Now that roading is repaired and access is restored, all headwinds are gone, which has been evidenced by a strong FY24 result, and an even stronger FY25 forecasted.

Dutchys is a simple-to-run, turn-key business, only requiring around 10 hours per week of owner input. No experience is required to run this great business, but if you've got a passion for the water, this is a business you'll want to catch and keep!
