Green Business, Bright Future

This business is an established e-commerce business specializing in the import and distribution of reusable eco-friendly bags. Founded in 2008, the business operates with a robust e-commerce model, managed full-time by the owner who focuses on sales, marketing, and general operations.

The business has demonstrated profitability with an annual revenue of \$79,105 in FY2023 and a gross profit margin of 69%. The sale includes significant assets, notably circa \$120,000 in stock and inventory, with additional intangible assets including significant levels of I.P.

The business is ideally positioned within the rapidly growing market of sustainable products, heightened by New Zealand's supportive environmental regulations.

This opportunity is perfect for either a trade buyer in related industries or an owner-operator with a sales and marketing background, offering a solid foundation and significant growth potential.
