Niche Hydraulics Franchise with Long History

Step into a business set up for continued success!

Established in the 70s, this franchise business dominates a niche corner of the lucrative engineering industry. Offering a range of sought-after services and products, the business has secured a solid market position.

This is an excellent opportunity to own a primely located & longstanding branch that services the broadest region in Auckland and benefits from little competition!

Business Highlights:

- Long lease
- Extensive clientele
- Lengthy track record
- Small & qualified team
- In-house & mobile services
- Widspread brand awareness

Joining the franchise ensures access to established national marketing strategies led by the franchisor, a built-in customer base, and comprehensive staff training.

The current owner has minimal involvement in the business, instead leaving operations in the hands of the capable team. However, a hands-on owner has the potential to be revolutionary for the businesss growth.

The best part? Although the opportunity is well-suited to somebody with a background in mechanical engineering, no specific skills are required to own & operate the business!

Dont miss out on the chance to continue the legacy of a profitable & well-respected industry leader. Enquire now!
