Highly profitable vehicle hire business

Take the reins of this outstanding car and van hire business as the current owner steps into retirement. With a solid 35-year legacy, this opportunity promises substantial profitability and growth potential.

Established Success: Operating successfully for over a quarter of a century, this business has consistently delivered impressive results.

Lucrative Returns: Boasting discretionary earnings of over \$800,000 for each of the last two years, this venture is a proven moneymaker.

Robust Infrastructure: Benefit from well-established systems and processes, alongside a strong asset base valued at \$850k. This includes a fleet of 81 vehicles, office facilities, and workshop equipment ensuring seamless operations.

Prime Location: Situated on a corner site close to Christchurch Airport, offering accessibility and visibility, contributing to a steady flow of customers. The premises will be available for lease, or the owner may consider sale of the property to the purchaser of the business.

Repeat Business: Approximately 35% of sales stem from loyal repeat clientele, highlighting the reliability and trustworthiness of the brand.

Turnkey Operation: With one experienced full-time employee managing customer service, grooming, and servicing, the business is primed for immediate takeover.

Scalability: With the current owner primarily handling bookings and mechanical work, there's ample room for expansion and diversification under new management.

Opportunity Awaits: This is your chance to acquire a highly profitable vehicle hire business with a fantastic reputation. With a strong foundation already in place, seize this opportunity to make your mark in the industry.
