

# Gutter Solutionz Distributorship Business for Sale Wellington & Kapiti Coast

Low overheads! A well established business with proven earnings. Great track record, exclusive licence, with training and support.

Selling an established business with proven earnings that specialises in Selling and Installing Gutter Protection Products.

We are part of a nationwide network operating an exclusive territorial license covering the Wellington / Kapiti Coast region.

Our products have a proven 18 year track record in New Zealand, for Residential and Commercial Buildings.

Available is a low overhead business that benefits from nationwide advertising with website provided and centralised call centre and product distribution.

This business opportunity would suit somebody with Building / DIY experience ~ a great opportunity to become self employed.

On site training for Sales and Installation will be provided for 1 month, also ongoing support from myself and our nationwide team.
