

Online Retail Business for Sale Auckland

Flexible Home-based Online Retail Store with an existing large audience over Email and Social Media. Trading for seven years.

This popular online business, Keeps, sells a range of keepsake boxes & accompanying items. Tailored to families to help build and keep the special moments in life that are so easily lost and forgotten. Having somewhere to store mementos, where they're safe and accessible was important to us. Founded by mum's seeking flexibility, Keeps has sourced quality suppliers, designed popular products, built out a strong brand, e-commerce website, streamlined processes and built a strong marketing base. You now have the opportunity to leverage their success by and take it further by:

- Expanding product offerings
- Reaching new markets beyond new families
- Enjoying a flexible, creative work environment

Business Resources

Keeps is a wonderfully simple organization with an existing group of capable contractors and suppliers strategically chosen to make operations as smooth as possible. From your point of view there is no special equipment or premises required.

There are great systems and processes existing to ensure a seamless transition;

- Website
- Social Media Pages
- Client Database
- Order tracking and processing system
