

Laser Cutting & Engraving Business for Sale Upper Hutt

Well established and profitable! Specializing in Giftware Manufacturing, Laser Cutting and Engraving. Established wholesale channels from Northland to Stewart Island. Great equipment and growth potential.

Established Giftware Laser Cutting and Engraving Business for sale.

Are you ready to step into a thriving legacy? We present an exciting opportunity to take over a well-established laser cutting and engraving business specializing in crafting giftware tailored for local gift and tourist markets. As a family-run enterprise with 16 years of operation, the time has come for the torch to be passed. Despite the challenges of the COVID era, our resilience and strategic downsizing have sustained us, and now we seek fresh energy to propel us to new heights.

Key Points:

- 1. Legacy and Stability:** With a solid 16-year history, our business has stood the test of time, fostering trust and reliability in the NZ retail giftware sector.
- 2. Opportunity for Growth:** There's immense potential for expansion, both through our established wholesale channels from Northland to Stewart Island and by tapping into the vast online market.
- 3. Innovative Design Legacy:** Our reputation for delivering innovative designs sets us apart, offering a unique selling point that resonates with customers. The sale includes all intellectual property associated with current production.
- 4. Existing Customer Base:** Benefit from a loyal and diverse customer base, providing a solid foundation for growth and expansion into new markets.
- 5. Well-equipped Workshop:** Equipment included in the sale could be utilized for expansion into furniture manufacture, offering additional revenue streams and diversification opportunities.

This hands-on business opportunity will excite a creative individual or ambitious group seeking a turnkey venture in the world of giftware manufacturing. Whether you're an experienced entrepreneur or a budding innovator, this is your chance to inherit a successful business and write the next chapter of its story.

This is your opportunity to continue the tradition of excellence and creativity that defines our brand.
