

Technology Delivering Natural Pain Relief Business for Sale NZ Nationwide

New Technology Delivering Natural Pain Relief Work from home or go to where your customer is. Can also be an addition to an existing health related or coaching business.

Do you love helping people feel better, especially when they are in pain?

Exciting Low Entry Cost Business Opportunity

This opportunity is not a franchise or multi-level marketing.

Do you enjoy connecting with people in your community? Do you connect to the idea of having a consultancy role and managing a client-based home business based on previous or present work experience?

Do you have a room at home that could be converted into a consultancy room? Do you warm to the idea of being the person someone goes to for help?

Is it important to you that the product you promote is backed by science, clinical research, glowing testimonials and is easy to operate?

Are you looking for flexible hours, making a positive difference in other peoples lives, and being part of a fabulous team who are also motivated to help people in pain to feel better?

If your answers are yes please find out more at: <https://www.painreliefplace.co.nz/>
