Tauranga, which translates to "place of rest or anchorage" in Māori, offers lots of activities to keep you occupied in addition to a stunning harbour and breathtaking vistas that make it an ideal spot to unwind and rejuvenate. With 140,000 residents, Tauranga is the biggest city in the Coastal Bay of Plenty. Because the vast metropolis is nearly entirely encircled by water, residents spend their days swimming, diving, fishing, and taking in the breathtaking vistas from practically every angle.

Arty Apartments has just been fully refurbished in October 2024 and is ready for its new owners to make it a success!

The owner has operated 2 accommodation businesses in Cameron and has just sold the backpacker business leaving the Arty Apartments for someone looking for a great opportunity in Tauranga. Both businesses were run successfully for 10 years and enjoyed good returns, but now the hard work has been done with one business sold and the refurbishment of all 3 Arty apartments, the vendor is ready to move on. Now that Tourists are well and truly back it is a great opportunity for someone to write the next chapter in Tauranga's backpacker, Airbnb and/or lodging scene.

Opportunities like this do not come often. Call us now as this will sell fast!
