+GST if any
Type: **Manufacturing**

Motivated Vendors, Golden Opportunity

Successful, profitable manufacturing business with opportunity for growth in an exciting industry supplying shade sails, awnings (for buildings, and for caravans), banners, canopies, covers, truck side-curtains, and much more. The business measures for, manufactures and installs its products, making it an attractive, easy, "one-stop shop" for its customers.

The business is long-established with a good reputation in the marketplace, and is the offered for sale on the open market for the first time in its history.

Our Vendors are keen to ensure that a new Purchaser will look after their "baby" and will provide excellent assistance in the handover process.

A truly rare opportunity to acquire such a well-established profitable business with real future prospects. Early enquiry is recommended to avoid disappointment – contact Athol McCully on 027 433 8052, or email athol.mccully@naiharcourts.co.nz for more details.
