

Lawn and Garden Services Franchise for Sale Hamilton

Fantastic Opportunity: Take Over a Well-Established Business with Free Vehicle and Trailer Included!

After five successful years, our current franchisee in Hamilton is ready to sell their lucrative lawn and garden business. This well-established business boasts a solid customer base of loyal and repeat clients, focusing on regular lawn maintenance. Step into this profitable venture and earn an average minimum of \$2,000 per week from your first week, with ample opportunities to expand based on your personal goals.

Key Features From the Seller:

- **Established Client Base:** All customers are based in Hamilton, and the curated lawn run ensures maximum efficiency.
- **Flexible Working Hours:** Enjoy part-time hours, working between 3-4 days per week, under 30 hours.
- **High Income Potential:** Earn an average minimum of \$2,000 per week from the start, with the potential for more depending on your efforts and goals.
- **True Work-Life Balance:** Benefit from short working days and long weekends, allowing more time to spend with family or pursue personal hobbies.
- **Optional Equipment Purchase:** The current owner is willing to negotiate the purchase of their vehicle and trailer, including a ride-on/stand-on mower, as part of the business sale.

Additional Benefits From the Seller:

- **Be part of a well-respected franchise:** Green Acres has a strong local reputation which means you're not starting your business from scratch. Benefit from customers who know who you are, distinctive national marketing, and a proven operating model to ensure your success.
- **Personal Growth:** Owning your own business leads to substantial personal growth, including learning to value your time, becoming independent, and not having to rely on an employee salary.

Business Resources

Why Franchise and Partner with Green Acres?

Joining Green Acres means you are in business for yourself, but not by yourself. We provide a best-in-class operating model, cutting-edge tools, and technology to manage your business from your mobile device. You'll receive comprehensive training, practical skills, and equipment needed to hit the ground running. Additionally, a dedicated Business Advisor will offer year-round support including finance, health and safety, and marketing.

If you are passionate about helping people maintain beautiful lawns and gardens year-round and are motivated to create work opportunities with a positive attitude and a desire to succeed, you could be
