Solar Industry Opportunity – A Great Fit for Electricians

The push towards sustainable, renewable energy is all around us, so the timing to get on board with a business such as this could not be better. The industry is booming and so is this opportunity!

The business has a primary focus on solar power panels and batteries. If you are passionate about owning a business that provides sustainable solutions and make a positive impact to our world this opportunity aligns perfectly with your goals.

This is a great opportunity to make a change. By bringing your energy and fresh perspective, you can take this business to the next level.

This opportunity might be very attractive if you are an electrician - no previous experience needed as, the existing owner is committed to providing comprehensive training to ensure a smooth transition.

The Greater Auckland area location, however, this business can be relocated to any part of the country.

Asking Price: \$460,000

Stock: \$400,000
