Rare Exciting Tourism Business - Ready to Go!

We are proud to offer a private guided tour operation taking guests to spectacular locations around the South Island of New Zealand. The business has earned a Qualmark Gold Accreditation from Tourism New Zealand and holds a Department of Conservation (DOC) multi-conservancy concession for guided "Front Country" walks within the DOC Conservancy.

The business is also recommended in the Fodor's and Frommer's (USA) travel guides.

The business currently operates from Christchurch, the largest city in the South Island, but provides a tour service which can start, and finish, anywhere in the South Island.

Having commenced operation in 2015, this business provides tourists with an outstanding guided bespoke recreational tourism experience. Utilizing the three customized tour vehicles, each with deluxe interiors, the vehicles also feature full picnic facilities in the rear. Stopping to provide picnic morning and afternoon teas has proved a big hit with tour guests. Guests' luggage is carried in one of the two luggage trailers.

The reputation of the business is strong, and this is reflected in the bookings already received for the 2024/2025 tourism season, commencing in November 2024.

This is an ideal operation for a couple who have strong people skills and a desire to show a special part of New Zealand to tourists.

This business presents an opportunity for a purchaser to step into a well-established business, and take it to new heights. Grab the opportunity - make it yours -enquire now!
