12 Spacious Units - Great Figures and Growing

This complex is situated on a generous site in a high profile location, on Greymouth's "Motel Mile". It enjoys excellent street presence with a wide frontage to the road and is the closest motel to the ever expanding Grey Base Hospital.

The financial results for this operation attest to the satisfaction of guests, with all the 12 ground floor units having been continuously upgraded over time. The opportunity exists for the next operator to continue to reap the rewards of the many improvements made.

The business is secured by a long lease. Greymouth enjoys the lucrative profits from the strongly recovering West Coast tourism industry. Also, a steady corporate trade year-round with many loyal repeat clients.

Completing the picture is a well above average owner's residence, with four spacious bedrooms as well as large living areas opening to a private garden area. Operational infrastructure is also top-notch, including large office/reception, motel laundry and guest laundry facilities.

Inspection will not disappoint.
