Business Resources

To achieve good, workable deal structures, vendors are advised and willing to provide ongoing involvement for extended periods if deemed necessary.

Customers for Taranaki businesses come from within the Agribusiness; dairy services and manufacturing; industrial services; energy; infrastructure and construction and the petrochemical manufacturing sectors.

Taranaki is one of NZ's most prosperous regions with regional GDP (Venture Taranaki stats March 2023) at \$80,072 pp being only slightly behind the powerhouse of Auckland.

With excellent schools, an absence of grinding traffic frustrations and every imaginable activity-base one might possibly indulge in - from mountain to lakes to rivers and to the sea. New Plymouth is a great place to live with a beautiful coastal walkway, good quality of life, and strong economy. It is perfect for those looking for a balanced lifestyle.
