An exceptional opportunity to acquire Rising Stars Preschool, a well-established, privately owned early childhood centre licensed for 60 children aged two and above. Located within the Waiwhakaiho Indoor Sports Stadium in New Plymouth, this centre offers a distinctive blend of education and physical activity, making it a standout option for families.

Rising Stars Preschool boasts a unique program that integrates sports into its curriculum, led by a team of qualified teachers and local sports personalities who serve as coaches. The program focuses on developing essential physical skills such as catching, kicking, and throwing, while fostering strong family engagement and respecting parental input.

The centre is part of a shared facility, which requires a daily setup and pack-down routine. Each morning, staff members thoughtfully arrange play stations and equipment, creating an inviting and dynamic environment for the children, and pack them away in the evenings.

With a large, fully enclosed outdoor area and a well-maintained sandpit, Rising Stars Preschool offers a safe and stimulating learning environment, providing ample opportunities for imaginative play.

This is a rare chance to take over a thriving business in a prime location, perfect for those passionate about early childhood education and physical development.
