This Business Is Nestled In The Heart Of Mangawhai

The Vendor Is Very Keen To Sell- Talk To Me Now

The business was founded by the Vendor four years ago and created an oasis where the client can escape the hustle and bustle of everyday life. They have a talented team of stylists that can, trim, give you a bold new hair color or a relaxing scalp massage.

With a strong client base the businesses bookings are very good.

The services they offer are:

- * Teenage and children cuts
- * Color
- * Foils
- * Keratin
- * Women Services
- * Men's Services
- * Senior Services
- * Extensions
- * Treatments
- * Up Dos & Special occasions

The business operates 6 days per week with two nights being late nights.

Growth opportunities exist as Mangawhai is a growing area.

Support for the business is with four part time employees and at any one time two hairdressers are there through the day. The current owner is not a hairdresser and an opportunity exists for growth with an operator who is also a hairdresser.

The price excludes stock which a new owner has the option of buying - estimate value is over \$10K. This business represents an excellent opportunity for a person to own a business in an area that is growing and offers a wonderful lifestyle.
