New Plymouth's best American-style pizza place/craft beer bar is up for sale!

Super cool retro-futuristic branding, with all the pizzas named after famous fictional robots. We also have the largest range of NZ craft beers in the province, the display fridge is a sight to behold.

We're located in the Busy Liardet St projects in town, surrounded by other food vendors. we are the only licensed premise so have a captive crowd lining up for drinks throughout the day.

Get in quick and smash it out of the park in 2025!
