

Pizza Joint for Sale New Plymouth Central

Pizza bar and Restaurant

New Plymouth's best American-style pizza place is up for sale!

Super cool retro-futuristic branding, with all the pizzas named after famous fictional robots.

We're located in the Busy Liardet St projects in town, surrounded by other food vendors.

Get in quick and smash it out of the park in 2025!

Business Resources

The equipment is only 2 years old so there's no need for any upgrades. The electric double deck oven is perfect for fast production of American style pizzas.

This truly is a key turn business.
