

Decor & Garden Statues Business for Sale Katikati

Great sole owner start-up business Online E-commerce
Garden and Home Decor statue business with on-going sales
footprint and Wholesale buyers across New Zealand.
Ongoing business, large stock holding of varied products

This is a small business you can work from home (with a good sized storage area) or sell out of a small commercial warehouse.

With the access to cost effective purchases through International suppliers you can increase your stock based on decor trends.

There are an extensive range of products from animal, gothic, home decor, wall hanging, dragons, fairies and gnomes which can be viewed at <http://www.designtoscano.co.nz> to give you and outline.

Selling due to focus of two other Horticultural businesses. Current income does not show income potential as it has not been marketed in Social media sales.

Business Resources

Current online and wholesale customer sales information will be transferred with the business.

Web design is via Website World NZ. This allows the owner to self maintain all aspects of the web site. All social media can be marketed in conjunction with the website.

Easy to maintain and update with connection to accounting applications like Xero and MYOB.
