Asset Sell-Off - Make an Offer

There's an asset bargain available here!

What's your offer?

This business delivers services in lawn creation starting with preparation and hydro-seeding and/or ready-turf installations for both residential and commercial clients. It also provides commercial sports-turf renovation services and commercial hydro-seeding and vegetation remediation.

Sales have diminished over the past two years as the owner has focused on other interests. He has decided to offer the going concern for sale at a price lower than the estimated market value of fixed assets. A substantial database of past customers is included.

Please telephone Tony Andrew to arrange to inspect.
