

House with Fitness Studio Business for Sale New Plymouth

This is an established, profitable business that offers great flexibility. A rare opportunity to own the business and the home.

Face to Face Fitness Studio has been in operation for over 20 years now. We are a small fitness studio catering to clients who want to learn how to exercise safely and correctly. We have approximately 100 clients, many of whom have been with us for ten years or more. We do individual and small group sessions and have only ever worked Monday to Friday and have all statutory holidays off.

Unlike other gyms, there are no big expenses. You own everything. The land, the studio, a three bedroom house and all equipment are in the purchase price. If you want this lifestyle, it's all here waiting for you with an instant income from the day you take over.
