Digital Billboard Business

- *Exceptional Growth Prospects
- *Proven Success
- *High Barriers to Entry

FY24 EBPITDA – approx. \$435k

This business operates in the thriving digital signage industry and has been established for seven years, demonstrating robust growth and profitability.

It is ideally suited for someone with marketing acumen and practical experience, although no specific technical skills are necessary.

Key features:

- Highly Profitable: FY24 Sellers Discretionary Earnings (SDE) of \$435,000 with an ongoing average GP margin of 56%
- Easily Managed: Currently operated by the vendor doing sales on his own using subcontracted installation and electrical services
- Strong Pipeline of Work: Over \$300k contracted and a further \$785k awaiting confirmation
- Nationwide Reach: Collaboration with a network of Signage partners as resellers and installers
- Quality Product: Utilizes dependable gold wired LED (not copper) and aluminium boxes (not steel), ensuring durability and demand
- Excellent Growth Potential: Huge opportunity to expand market penetration and introduce new products (special shape fine pitch indoor range already imported and tested)
- Exclusive Motorway Digital Billboard Division also available as an add-on: Vendor has invested over \$650k into experts enabling the first motorway billboard consents (where others have failed)

The owner is looking to retire and pursue other philanthropic interests, presenting a unique opportunity to take over a well-organized and profitable business with established systems and ready for further expansion.

Asking Price: Offers over \$750,000 (incl. Stock and Plant of \$278k)
