

Side Hustle Home Based Media Franchise for Sale Auckland

Are you community driven or simply looking for a side hustle to reduce debt, family holiday or upgrade your car? Exclusive franchises available Nationwide (It can also create more leads for your existing business!)

Run a simple, low-risk side hustle - no staff, stock, or long hours. Easy to learn & run, fits your lifestyle, & earns regular cash for life's luxuries or bigger goals, without taking over your week.

Whilst the initial setup may take effort, our average franchise owners work this business 1 day per week.

Your main duties are the selling of advertising spots and distribution. The Support Office offers services such as print & design.

Be your community's go-to connector - share updates, earn extra income, & unlock leads or referrals that support your main job or grow your professional network. Fund family trips, holidays and more.

Any business is relying on leads, referrals, marketing and brand exposure. By using Coffee News as your marketing tool, you:

1. put yourself in the middle of your local community
2. build trust with local businesses, hospitality business owners & readers
3. create a weekly sales activity that leads to referrals & sales for your existing business

Business Resources

For the price that you probably already spend on marketing, you can own your exclusive local rights of your Coffee News franchise. **Included in the setup fee** are:
