Thriving Earthworks Business

Price: \$585,000

Profit: \$275,000 (FY24, working owner)

Step into a well-established and profitable earthworks business, perfect for a new owner-operator. With a diverse range of well-maintained light and heavy machinery, this business is primed for growth, especially during the busy summer months.

Why This Business?

- Established Success: 9 years of solid performance.
- Well-Maintained Equipment: Includes assets valued at approximately \$400,000 (book value), with a likely higher market value.
- Flexible Operation: Currently operates from a home base that has an allocated area to store the equipment.
- Growth Potential: Expand by capturing more of the growing market and diversifying services.
- Reputation for Quality: Known for high-quality finished projects.
- Essential Industry Role: Integral part of the construction sector.
- High ROI: Substantial return on investment.
- Expansion Opportunities: Potential to set up a hire equipment business.

This opportunity is ideal for someone skilled in handling trucks, trailers, and diggers, or for a company looking to add earthworks services to their existing operations.
