SEMI MANAGED HVAC
Auckland

Auckland HVAC. Semi Managed Profits of \$618,000+ in FY24

On offer is a rare opportunity to acquire one of Auckland's leading HVAC businesses.

This highly profitable, semi-managed business boasts an impressive track record and has thrived through all economic climates. They have grown in every year of ownership, hitting another record year in FY24, and are currently outpacing this in FY25.

What's even more impressive? This has all been achieved in the slowest economy we've seen since the GFC!

Known for its commitment to quality, the business is backed by an industry-leading reputation, which is evidenced through their glowing customer testimonials and Google reviews. The business comes fully fitted with a large, modern fleet of vehicles, and a highly experienced team in place. With no additional staffing requirements, minimal day-to-day involvement, and modernised systems and processes, the business is perfectly set up for a seamless transition.

This is a unique opportunity for any buyer seeking a well-established, recession-proof business with the tools and team to continue thriving, all while maintaining a great lifestyle!
