

Women's Accessories Store Business for Sale Napier

OOMA, Beautiful Women's Accessories & Great Fit-Out

Celebrating twenty-one years in November, this special business has carved out its own niche within Napier. In fact, OOMA could be considered one of a kind throughout the country.

The business comes with a quality fit-out, the gorgeous steelwork is an art work in its own right.

OOMA believes in selling products that will stand the test of time, both in terms of quality and design.

They offer collections that go that extra mile in sustainability and/or social enterprise.

An on-line shop went live at the end of June and already they are seeing repeat orders from customers who have never physically been into the Napier store. This is an additional revenue stream for the business, which is starting to gain real traction.

OOMA would do really well in a larger city. There is the option to relocate or open an additional store. Perhaps a small store in the likes of Arrowtown. A new owner will always come in with fresh ideas.

Do you want to own the stunning store with the vibrant pink door in the heart of Napier?

Now is your time.
