

LED Lighting Business for Sale Christchurch

Good profits and a proven track record. Average gross profit during the past 3.5 years is around \$1000 per day *

I am a sole trading registered Electrician. My business is well established and registered since 2014.

Work type: LED lighting with installation, retrofitting, and lighting design, plus minor electrical work, mainly in the private sector

1. Proven track record
2. Customer records with invoices since 2014
3. Excellent 5-star customer feedbacks
4. Professionally designed website
5. National and international product sourcing (with import license)
6. Home Show display
7. Current stock around \$20,000

The average gross profit during the past 3.5 years is around \$1000 per day while deliberately limiting the workload to around ten hours per week* (I'm 73).

Easy growth potential to 40hrs/week

Stock take 21.10.24: LED lighting: value \$10798.96, LED striplight: value \$9500, special LED products and electrical goods: value \$3347.20

Reason for selling: I'm 74 soon, it's time to retire

Asking price: \$35,000 ono, plus \$20,00 stock.
