

# LED Lighting & Electrical Business for Sale Christchurch

## \$1,000+ Weekly Gross | Huge Upside | Turnkey Opportunity

This is a rare chance to acquire a well-established, highly profitable LED lighting and electrical business with a proven track record dating back to 2014.

Currently operated by a semi-retired registered electrician, this business generates an average gross profit of approximately \$1,000 per week while working only around 10 hours per week. The upside here is massive — a motivated owner could rapidly scale this into a full-time operation and significantly increase earnings, all with minimal additional overhead.

### Why This Business Is a Standout

1. Over 10 years of successful operation
2. Consistent, proven profits over the past 6 years
3. Strong, loyal customer base with complete records dating back to 2014
4. Outstanding reputation with consistent 5-star customer reviews
5. Professionally designed, recently upgraded website
6. Established Home Show presence with exclusive promotional offers
7. Valid import licence with trusted international suppliers

Premium, hand-selected LED products sourced directly from global lighting fairs (including Hong Kong)

### Serious Growth Potential

The business is deliberately under-utilised. The current owner has limited work hours by choice, not demand. With full-time attention, expanded marketing, and additional installations, this business has clear potential to multiply revenue quickly while keeping overheads lean.

### Reason for Sale

Genuine retirement sale. The owner enjoys the work but is ready to step away.

### Asking Price: \$30,000 (plus Stock negotiable)

For this price, you are acquiring a profitable, reputable, and scalable business — ideal for an electrician looking to go out on their own or an owner-operator seeking strong cash flow from day one.

### Business Resources

1. Approx. \$12,000 worth of quality LED and electrical stock
2. Strong brand recognition and customer goodwill
3. Supplier relationships and import channels
4. Turnkey operation — step in and start earning immediately
