

Leading Auckland based Homewares Wholesaler in the mid to upper range is seeking to achieve scale and synergies by way of outright merger/ operational merger with a like Wholesaler, or potentially outright acquisition.

The owners are seeking expressions of interest from Wholesalers with turnovers in the \$1,500,000 to \$8,000,000 range. They are open to all situations in either a senior, joint or junior partner capacity. The owners are seeking to retire in 2 to 5 years. This unique opportunity could therefore suit a Wholesaler with a similar exit plan, or with expansion plans seeking to buy them out.

Business highlights include:

1. Long standing business that has been in operation for over 40 years.
2. Strong market presence across the retail, designer and home stagers sectors, with over 1,600 active customers and no single customer risk.
3. Extensive product range, with lead market share in some offerings, as well as exclusive rights to a leading international brand.
4. Globally sourced premium products with long standing supplier relationships.
5. Highly skilled and dedicated team.
