### Fresko - The Future of Fish & Chips!

Fresko is expanding - and you can be part of it!

The company is bringing gourmet fish & chips to new heights, and franchise opportunities are now available in Mount Maunganui, Tauranga, Wellington & Auckland!

At Fresko, fish and chips aren't just food-they're family, tradition, and a way of life. With over 30 years in the seafood industry, the journey started with the owners' father, a skilled fishmonger whose knowledge was passed down from generations before him. The owners' grandparents came to Aotearoa from Greece, bringing with them a deep respect for the sea and the craft of preparing fresh, high-quality seafood.

For 20 years, they've been perfecting the art of "old school" fish and chips, serving up crispy, golden perfection that keeps locals and visitors coming back for more.

#### From Ocean to Plate

The company takes pride in sourcing the freshest fish from trusted, sustainable suppliers across the country-from the East Coast to the Tasman Sea, the South Island's West Coast, and even the Chatham Islands.
