Import & Distribution - Engineering Sector

This is a rare opportunity to acquire a well-established import and distribution business specializing in equipment and machinery for the manufacturing and engineering sector in New Zealand. The business supplies high-quality industrial machinery, welding equipment, and related tools, while also offering comprehensive service and maintenance to its customers.

With a strong trading history spanning over 30 years, this business has built an excellent reputation for quality products, reliable service, and industry expertise. It has a loyal customer base and trusted supplier relationships, making it a profitable and stable investment for the right buyer.

Business Features:

- * Proven Industry Reputation - Decades of experience have positioned this business as a trusted name in the industrial and welding supply sector.
- * Loyal Clientele - Strong, long-standing relationships with repeat customers across various industries ensure consistent revenue.
- * Reliable Supplier Network - Well-established direct partnerships with leading global suppliers provide access to high-quality products at competitive prices.
- * Efficient and Streamlined Operations - Currently operated solely by the owner, allowing for low overhead costs and simple management.
- * Excellent Bolt-On Opportunity - This business would be an ideal acquisition for an existing company in the manufacturing, engineering, or industrial supply sectors, providing instant expansion opportunities.
- * Comprehensive Service & Maintenance - Beyond sales, the business provides servicing and maintenance for the equipment, adding an additional revenue stream.
- * Smooth Ownership Transition - The current owner is retiring and offering a well-structured handover to ensure a seamless transition for the new owner.

This turnkey business presents an exceptional opportunity for an entrepreneur, investor, or industry professional to acquire a profitable, well-established operation with strong market demand. Whether you're looking to step into ownership or expand an existing business, this opportunity is not to be missed.

The price is \$60,000 plus stock (\$340,000). It's a great buy!
