A Restaurant with 40+ Years of Success, You May Not See This Again - (CML 11231)

This one has been here for over two decades, serving up handmade Italian dishes, flowing wine, and the kind of warm hospitality that keeps people coming back.

It's the place where locals celebrate birthdays, food lovers bring their out-of-town guests, and long lunches in the al fresco dining area turn into late dinners. It's licensed, thriving, and built for atmosphere—with a 100-seat capacity split between an intimate indoor space and a stunning outdoor area that makes every meal feel like a Mediterranean escape.

Now, after years of success, this restaurant is ready for someone new to take the reins.

What Makes This One Worth Owning?

- It's Got a Following - 40+ years in business doesn't happen by accident. People love this place.
- Indoor & Outdoor Seating for 100 - A prime mix of cozy interior dining and breezy al fresco tables.
- Licensed for Food & Alcohol - The kind of setup that keeps both profits and wine flowing.
- Solid sales - Weekly sales average \$13,000

It's not a startup. It's not a risky venture. It's a fully operational, successful restaurant with history, personality, and a proven track record—and opportunities like this don't show up every day.

If you've ever wanted to own a business that already works, in a space that people genuinely love, this is it.
