### Great Escape Sailing in the Bay of Islands

Do you have a passion for sailing? Can you imagine living in the stunning Bay of Islands while earning an impressive income doing something you love?

If so, this could seriously be the opportunity of a lifetime!

Great Escape Sailing operates from a stunning location in the beautiful Bay of Islands utilising its own fleet of yachts to offer unmatched sailing opportunities and hands on training.

Customers can learn to sail from scratch, in a safe and fun environment, attaining internationally-recognised sailing qualifications.

More experienced sailors can hire yachts for self-sail adventures.

This business will need an owner who has a passion for sailing and for the right buyer, this could be a life-changing opportunity....

#### Why?

- There are few (if any) genuine competitors in New Zealand or Australia.
- An impressive reputation, with glowing reviews and a loyal repeat customer base.
- Excellent systems and experienced long-term contractors working in the business are ready to assist a new owner.
- Based on current performance, there is a potential 35%+ ROI, with potential to grow further.
- The business is in great shape, with bookings and revenue up year on year.

Businesses like this don't often come on the market, but the current owners are ready for new offshore adventures, and want to see Great Escape Sailing in safe hands (and with a good transition supported by the owners) before they go.

This is a rare opportunity to own a profitable, well-established business in an amazing location, doing something you love!
