PAPER PLUS OREWA
3 Moana Ave, Orewa

Paper Plus Orewa. Profits of \$92,000 Working 5 Hours A Week

Paper Plus Orewa, part of NZ's largest and most beloved book & stationery retail group, could be your very own ticket to financial freedom!

Just 124 steps from the golden sands of Orewa Beach, this thriving store enjoys heavy foot traffic thanks to a vibrant community of surrounding retailers, loyal local customers and strong tourist numbers flock to the area in the summer months.

There is a solid foundation here for a working couple to get stuck into this business and work it hard for the remainder of the 4 year lease that's in place till June 2029. Currently run under management, the owner who works part-time, is enjoying healthy profits of \$92,000+ on just 5 hours of work a week.

The business chose to remove its NZ post agency back in October 2023, which obviously impacted its in-store foot traffic, but with the addition of the Travelex agency in April 2024, this store is becoming a high performing Travelex location - the beauty about this, is that you get a commission for doing nothing, but providing a small space.

Furthermore, tap into the back to school market, increase the presence within the local B2B sales space and jump onto online sales & click & collect and watch your top line revenue grow.
