Humming turnkey business for sale

Looking to own a well-established, highly reputable watch repair business in the heart of sunny Napier? WatchStop is now available for sale as a fully operational business, including the brand, equipment, and loyal long standing customer base (4years as WatchStop & 10 years+ as The Clock Shop which was owned by same family) .

What's Included:

- Established business with a strong reputation
- Prime CBD location with steady foot traffic (88 Dalton Street)
- Existing customer base and referrals from local competitors
- Fully equipped workshop with all necessary tools
- Over 20K worth of stock (brand new & refurbished)
- Subcontracted Watchmaker connection (Hawkes Bay)
- Licensed Casio wholesale connection
- Well-known brand with growth potential
- Excellent lease with future options available
- Personal carpark right in centre of town

Day to day the shop does between \$400 on quiet days and when its busy and sales are going its not uncommon to have \$1500-\$2500 days, the shop is capable to be run by 1 person all year round. More financial figures are available upon request.

Having operated 6 days only previously in the past, there is an extra opportunity to make even more by opening on a Sunday, a very busy day for the city

This is a perfect opportunity for an entrepreneur, watch enthusiast, or an existing business owner looking to expand into the high-demand and ever growing watch market. Serious inquiries only. Contact me for more details or to schedule a meeting.
