Collision Repair Business for Sale Auckland

Mt Wellington collision repair

Bayleys is pleased to present this excellent opportunity to acquire a well-established collision repair business in the centralised suburb of Mt Wellington, Auckland. Operating for over 14 years, the business is structured for maximum efficiency, ensuring a seamless workflow and exceptional service quality.

With a strong base of loyal customers across insurance companies, car yards and word of mouth repeat clients, this business has built a stellar industry reputation. This acquisition offers significant growth potential for a new owner, along with access to a stable and diversified revenue base.

A strong team and scalable growth avenues make this business a prime acquisition for those looking to expand in the industry. The company has also built a strong brand identity, recognised for delivering top-tier panel beating and paint refinishing services.

Key highlights:

1. Centrally located near all Mt Wellington car yards
2. Strong insurer and corporate fleet partnerships, ensuring a steady pipeline of work
3. Highly skilled team with a reputation for quality workmanship
4. FY25 projected revenue of $800,000 with EBITDAP of $160,000
