

Hire A Hubby Franchise for Sale New Plymouth

New Plymouth Hire A Hubby For Sale | \$63,000 | 36,000+ Dwellings | Established Client Base | Earn From Day 1

New Plymouth is one of New Zealand's most liveable provincial cities — a strong homeownership culture, an active property and landlord market, and a district of 36,000+ dwellings and 90,100 residents. With a homeownership rate of 60.6%, this is a market of property owners who maintain and invest in their homes. The Hire A Hubby brand has been part of this community for years — and this is your opportunity to step into an established business with clients already in place.

This is not a start-up. The systems are in place. The brand is recognised. The client base is established and ready to book from Day 1.

WHY NEW PLYMOUTH STANDS OUT:

1. Existing client base included — established repeat and referral income from Day 1
2. Active landlord, property investor, and real estate referral market across the district
3. Urban core suburbs: Fitzroy, Strandon, Merrilands, Westown, Frankleigh Park, Highlands Park and more
4. Northern growth corridor: Bell Block and Waitara
5. Average residential property value: \$721,179 (QV, August 2025) — clients who invest in their assets
6. Full-time single-operator Hire A Hubby businesses average \$227,000+ annually — real, measurable growth target
7. \$63,000 asking price includes full equipment pack and business training package — earn from Day 1
8. Supreme Franchisee of the Year 2023 & Small Business Franchisee of the Year 2024 (FANZ)
9. Finance available — ANZ, MTF Finance, and Vendor Finance for approved buyers

THE WORK:

Gib repair and installation, interior and exterior painting, decking and fencing, general maintenance and repairs, landscaping, bathroom and kitchen renovation, waterblasting, and assembly. New Plymouth clients value quality workmanship and consistent, reliable service — average job values are strong across both urban and rural residential work.

IDEAL BUYER:

You don't need a trade qualification. Previous Hire A Hubby owners have come from IT, management, the armed forces, the fire service, retail, and many other backgrounds. What they share is practical confidence, good communication, and a genuine pride in doing things right. If you're the go-to person in your circle for fixing things, have worked on your own property, or simply want to build something of your own in one of New Zealand's most liveable regions — this could be your next chapter.

THINKING BIGGER? THE ENTERPRISE OPTION:

For the right buyer, there is also an Enterprise opportunity — taking on the full New Plymouth and Taranaki territory with staff, multiple vehicles, and commercial contract capability. 36,000+
