

Natural Children's Aromatherapy for Sale Auckland

Natural Children's Aromatherapy Business. Asset sale - all assets and inventory. Four natural children's rollers - sleep, energy, happiness and calming.

Habitual Calm is a beautifully presented, New Zealand-made children's aromatherapy brand created to support emotional wellbeing. Born during the lockdowns, the brand was inspired by a family's search for natural ways to help their children sleep better, feel calmer, and stay happy. The result is a thoughtful range of four essential oil rollers: *Sleepyhead* (sleep), *Superhero* (energy), *Sunshine* (mood), and *Lion Tamer* (calm). Each product is made with natural ingredients and applied to pressure points such as the wrists, neck, and behind the ears. With strong branding, a compelling origin story, and growing demand for natural wellness products, Habitual Calm offers a unique opportunity to scale a meaningful e-commerce business.
