## Lew & Hire in Christchurch. \$180,000+ of Assets

**Are you looking to increase your income, but don't have the time to work for it? Well, we have the solution...**

I'm excited to present LEW & HIRE to the market - the perfect side-hustle business with a strong asset base included.

LEW & HIRE was started back in 2021 and operates as a hireage business, allowing its customers to rent any of their fleet for their construction or earthworks needs. LEW & HIRE is a simple business to run with great systems and processes in place, and no experience is required to run it.

LEW & HIRE's turnover dropped slightly in FY25 while the vendor was overseas (3 months) but they are back to full trading now. With strong profits from minimal hours, a solid asset base included, and New Zealand's economy rapidly improving, the business is perfectly set up for a new owner's takeover!
