### Substantial Profits. Civil Engineering Business!

Looking for a resilient, well-established business with a strong reputation and clear growth trajectory?

This service provider stands out for its consistent performance, customer loyalty, and strategic operational model.

With a long history of quality service delivery, this Auckland-based business has built a solid market presence across both B2B and B2C channels. Under its current ownership, it has navigated industry challenges through innovation and customer focus, supported by a capable team and efficient systems that enable scale.

#### Key Highlights:

- \* Proven track record with consistent sales and market presence
- \* Strong brand reputation and loyal, diverse client base
- \* Market asset value circa \$2,400,000
- \* Stock \$200,000
- \* Current work in progress: \$7,000,000
- \* Skilled and experienced workforce across key operational areas
- \* Scalable business model supported by streamlined systems
- \* Competitive advantages through innovation and quality focus
- \* Significant opportunities for growth in product development and market reach

The current owner is actively involved in the strategic direction of the business, dedicating time to leadership, client engagement, and maintaining high standards. This structure presents an ideal platform for a motivated buyer seeking a business with depth, capability, and operational clarity.

With strong foundations, reliable income streams, and clear avenues for expansion, this is a rare opportunity to acquire a high-performing business in a high-demand industry. Enquire now to find out more!
