Skin Care Passion & Outdoors Lifestyle

Bring Your Passion for Skin Care and an Outdoors Lifestyle

This expertly crafted skin care product range is ready to hit the trails!

The long process of development and rigorous testing has been completed, along with the branding, market research and pricing. Now the last step is you! This is a proudly New Zealand brand that integrates locally sourced botanical ingredients with high-performing actives from around the world.

No Prior experience in the industry is needed as the current owners will provide their expertise in the industry ongoing if desired by the buyer.

An ideal skill set to add to the brand would be a history or passion in sales or marketing.

Relocatable: Build this business from any corner of the country or further afield - does sitting poolside with your laptop sound ideal?

Flexible: You can establish this as a home-based business to fit around your existing requirements

Exciting: This brand is for those who enjoy the outdoors and are ready to build a life others dream of!
