

Vehicle Inspection Centre Business for Sale Christchurch

Thriving Automotive Business

Established WOF Certification & Workshop Potential

Substantial client base, processing around 5,000 WOF's per year, and are agents for NZTA being able to process registrations, road user charges, etc

The business includes space and existing infrastructure for an adjoined workshop, offering significant potential to expand services (WOF repairs, servicing, etc.) and increase profitability

Prime location with a drive through facility, rolling road and 3 hoists

Realistic long-term lease, consistent revenue stream, opportunities to expand the services offered to include repairs and maintenance, target commercial fleets, implement a marketing strategy to attract new customers for WOF's and workshop repairs and servicing.
