\$1M Laser Equip Biz - Bolt-On Deal

Looking for a high-performing, precision-driven manufacturing business with proven systems and growth potential? This opportunity delivers just that-and more.

Established over four years ago, this Auckland-based sheet metal fabrication business has quickly risen to prominence thanks to its unwavering commitment to quality, rapid delivery, and customer-first approach. Offering a suite of in-house services-from design to CNC laser cutting and press brake folding-paired with strategic partnerships, the business is a one-stop-shop servicing clients across construction, marine, and manufacturing industries.

Strategically located in a key industrial hub, the business boasts over \$1M in high-spec machinery, a strong digital footprint, and a robust client base of 250+ active accounts. With a reputation for reliability and technical precision, it continues to win repeat business from both B2B and B2C clients thanks to its skilled team and streamlined operations.

Key business highlights:

- * Established 2021 with rapid growth and strong industry standing
- * End-to-end fabrication services with in-house and partnered capabilities
- * Skilled team with over 20 years' combined experience
- * Over \$1M invested in plant and equipment-nearly new conditions.
- * Prime industrial Auckland location with favorable lease terms
- * Over 250 active customers and ongoing supply agreements
- * Turnkey operation with clear potential for export, expansion, or added shifts
- * Strong digital presence and high customer retention
- * Excellent bolt-on opportunity.

Excellent bolt-on opportunity for an existing engineering business. The workshop is fully equipped with top-quality machinery in great condition.

Due to health reasons, the owner has placed the business on the market. Over \$1 million has been invested in plant and machinery since its setup in 2021.

The asking price is just \$900,000 and the sale includes full equipment, full branding, \$1M+ in annual revenue, a base of 250+ clients, and staff in place.

Opportunities like this don't come around often - get in touch today.
