

Heating & BBQ Hub Business for Sale Blenheim

Heating Marlborough, a comprehensive one-stop shop, well-established leader in providing premium heating solutions in the region, specializing in log and pellet fires. Enjoys several key contracts for installation and maintenance, and a popular destination for BBQ enthusiasts.

Heating Marlborough is a well-established leader in providing premium heating solutions in the region, specializing in log and pellet fires. As a comprehensive one-stop shop, we manage everything from no-obligation quotes and council permits to the installation, servicing, and maintenance of solid fuel burners. Our additional services, including chimney sweeping and pellet fire servicing, have led to increasing demand, creating significant growth opportunities, particularly with private customers and property management providers.

In addition to indoor heating solutions, we offer a variety of products such as gas fires, panel heaters, fans, heat pumps, heat transfer systems, and ventilation solutions. We also provide high-quality outdoor heating options, including wood burner fires, infrared heaters, and both gas and electric heating systems.

Heating Marlborough enjoys several key contracts for installation and maintenance, providing consistent revenue through both product sales and labor in the Marlborough and Nelson/Tasman regions. We partner with exclusive brands and offer products tailored to the local market. Our services operate year-round, with peak demand during the colder months and a busy summer season driven by our BBQ Hub.

The BBQ Hub is a popular destination for BBQ enthusiasts, offering a broad selection of charcoal, pellet, gas, and electric BBQs, alongside rubs, sauces, accessories, fuel, and frozen meats. Our growing customer base benefits from the increasing trend toward low-and-slow BBQ cooking and high-quality gas and electric options for both residential and commercial needs. Additionally, we carry a curated range of outdoor cooking equipment, camping gear, & accessories, tapping into the expanding market for specialized outdoor and camping products.

This sale includes plant, vehicles, good will. With stock to be added at time of sale.

Contact us today to explore this fantastic opportunity to own a thriving heating and outdoor living business with significant growth potential!
