Established Mexicali Franchise For Sale - Profitable, Priced to Sell

Established • Profitable • Priced to Sell

Positioned in the heart of the vibrant Botany Junction centre, this well-established store has been part of the community since 2014, enjoying strong local awareness, loyal customers, and the backing of the nationally recognised Mexicali brand.

Own a buzzing Mexicali store without the hassle (or cost) of starting from scratch! This is a fully operational, profitable location with a loyal customer base – and loads of room for a hands-on owner to turn up the heat.

Why you'll love it:

1. Proven performer with strong brand following.
2. Big upside through catering, delivery, and local marketing.
3. Fully fitted with trained staff – no build-out required.
4. Sweet entry point into a national brand with cult status.
5. Full training & ongoing support from Mexicali HQ.

Mexicali has been serving bold Baja flavours & laid-back Cali vibes to NZ since 2005 – think burritos, tacos, nachos, bowls, and addictive fresh-fried tortilla chips. Customers already love it; now you can own it.

READY TO OWN IT?

This is a rare chance to grab an established store in a proven, much-loved brand – at a price that makes sense. The food's hot, the systems are in place, and the customers are hungry.

If you're ready to roll up your sleeves and run your own fiesta, this could be the most flavoursome business decision you'll ever make.
