Rare Tavern Licence!

Your chance to create something truly special

Immaculate, stylish, and full of potential, this boutique hospitality gem is perfectly positioned for a hands-on owner with a real passion for people and service.

This isn't just a bar and eatery-it's a community favourite. Think warm lighting, chic interiors, and an effortlessly intimate vibe that makes guests feel like they've stepped into their own private club. With a beautifully executed fit-out and a highly coveted tavern liquor licence, this is the kind of opportunity that rarely hits the market.

Currently operating evenings only (Tuesday to Sunday), the venue has carved out a loyal following among locals and professionals seeking something more refined-without the pretension.

It plays host to a number of events and private functions, all of which contribute to a strong base and open exciting doors for expansion. The Opportunity

The business generates around \$8,000 per week (incl. GST) with minimal staffing and tight cost control. But it's what hasn't been tapped into that makes this so exciting:

- * Lunch trade? Untouched.
- * Weekend brunch? Waiting.
- * Takeaway or catering? Virtually non-existent.
- * Daytime events or corporate functions? Ready and waiting.

There is a real opportunity here to evolve the offering and extend trading hours. Locals are even asking for Italian nights-so the demand is there. The layout, licence, and location mean you can pivot in whatever direction your passion takes you-cocktail lounge, wine bar, gastro pub-the canvas is yours. Why You'll Love This

- * Fully licensed (tavern licence - a rare and valuable asset)
- * Upmarket, turn-key fitout - no spend required
- * Alcohol accounts for ~75% of revenue
- * High average spend per customer (~\$80)
- * Smart POS and lean operating model
- * Excellent parking and accessibility
- * Located in a high-income catchment
