An exceptional opportunity to take over a long-standing and highly regarded rural services business in the heart of Otago's farming country.

An exceptional opportunity to take over a long-standing and highly regarded rural services business in the heart of Otago's farming country. The business has successfully continued under different ownership and name changes for the past 30 years servicing farms across the wider Maniototo area. Currently based in Ranfurly, the business is well-known for its reliability, efficient service, and strong client relationships.

The current owner has been operating since 2019, with the support of a team of up to 8-9 casual and full-time staff during peak periods, this business has proven systems, strong seasonal demand, and a good standard of equipment. With the current owner pursuing new ventures, this is a prime opportunity for a new owner to continue and grow a successful enterprise.

All equipment has been well-maintained and regularly serviced.

This is a turnkey operation with everything needed to step in and start operating. A full plant and equipment list is available on request. Contact the agents today for more information or to arrange a confidential discussion.

Price: \$279,000 Plus GST (if any), Including Plant and Equipment
