Low Rent, High Profit South Auckland Restaurant - (CML 11321)

If you've ever dreamed of running a hospitality business without selling your soul to 7-day rosters and sky-high rent, keep reading. If not... maybe you should start considering.

This neighbourhood bistro and wine bar is the kind of place locals casually call "their spot" like it's a badge of honour. Big ceilings. Exposed brick. Great lighting. It looks like it costs a fortune to run, but it doesn't. Rent is just \$2,708 + GST/month. That's not a typo.

Let's talk numbers:

- ~1 million sales (FY2025)
- ~\$265K owner earnings (two working owners)
- 67% gross profit (that's better than your favourite cafe in Ponsonby, probably)

Currently open just 5 days a week (Wed-Sun). No Mondays. No Tuesdays. No brunch madness. Which means two things:

1. There's room to grow
2. You can finally have a life

What you get:

- 60 indoor seats and a warm, stylish vibe
- Fully licensed
- Well-equipped kitchen, solid team, loyal customers
- Owners happy to stick around for handover, training, and general high-fives

This is a great fit for a talented chef who wants to earn good money and cook food they're proud of, or an investor looking for a hospitality gem with good return.
