

Home and Commercial Cleaning Franchise for Sale West Auckland

Are you looking to step into a well-established, reputable home cleaning business with a loyal customer base? Then Eddie and Jing's Green Acres franchise could be the perfect opportunity for you!

With over 10 years of successful operation, this franchise has built a solid reputation for reliability and exceptional service. Currently operating during school hours (9:00am - 2:30pm), there's ample room to expand into evening commercial cleaning or extend home cleaning hours beyond the current schedule. This makes it an ideal opportunity for a first-time business owner with family commitments looking to step into an established brand, or for an entrepreneur ready to grow from a solid base.

Now, as Eddie and Jing prepare to embark on a new chapter, they are offering their thriving business to the market. This is your chance to take over a proven operation with a strong brand, established systems, and a dedicated customer base.

Customer references: "Eddie and Jing have performed house cleaning services at our home in Hobsonville Point. During this time they have proven themselves to be professional and prompt, with great attention to detail. Our home is always left in outstanding condition and treated with care." - Kelsey

"Eddie is very professional and a great communicator with good attention to detail. He is reliable, trustworthy, polite and friendly and always comes to clean my house at the time we agreed" - Rachel.

When you join Green Acres you are joining a well-established franchise brand that has over 30 years of experience getting kiwis into business ownership and setting them up for success.

You will get:

1. An established customer base, so you won't be starting from scratch.
2. \$1,800 weekly income guarantee.
3. Access to systems and tools that will send you leads, plus manage your quoting, communication and invoicing to customers..
4. Access to our partnership programme for all your business needs including Xero, Z Energy, Rothbury Insurance and so much more.
5. Practical training that includes how to use your equipment, how to manage your health and safety through to how to run your administration.
6. Unlimited support from your own dedicated Business Advisor who will guide you to make sure your business succeeds.
